
PRISM 1

GAMING MOUSEPAD

- Micro-etched glass surface delivers flawless, high-speed mouse tracking.
- Optimized surface eliminates sensor drift for silky-smooth mouse control.
- Robust 7H hardness construction provides exceptional scratch resistance and durability.
- Waterproof top allows effortless cleaning with a simple wipe.
- Premium 2.5D chamfered edges ensure an ultra-smooth, comfortable wrist experience.
- Ultra-thin 1mm silicone base guarantees rock-solid, anti-slip desktop grip.
